

King of Stonegate (By:IG-Lady Kylara, OOG:Justin Fountain
and some input from Jaleh and Shelly)

He suffered through trouble and personal pain.
He triumphed with honor and not selfish gain.
He united many, established a hold.
His wisdom is known throughout Lumberton.

King Balladan, King Balladan
Friend of Lumberton, King of Stonegate

He's known as a fighter and scholar as well.
He's won in battle and heart as well.
The Thirteen who rescued him from the Dark Horde
Risky life, risky limb and won with the sword.

chorus

His leadership's known by spirit and sword.
His people with hope to the future look toward.
For peace has come to the land they hold dear.
He guards and protects the folk he holds dear.
